**BOTTOM**  
4.5" Gusset

SO# 000000

**Bleed**

Any color or graphics that stop at the edge of the document or at the fold line of the front or back panels, must extend into the 'bleed area', 1/16" past the trim on all sides and onto the bottom gusset.

**Trim**

Where the pouch will be cut.

**Safe Area**

Important text and graphics must remain inside the green lines to avoid being trimmed or folded.

**Fold**

Where the pouch will fold.

**Heat Seal**

Color variation can occur in heat seal areas.

**Cut Tolerance**

To account for our cut tolerance, we recommend the design match from one side of the pouch to the other.
